

Road Bio

Road Spill Cleanup – Diesel, Oil, Grease & Paint

An oil spill detergent that quickly removes hydrocarbon and liquid paint spills from road surfaces.

Road Bio is a blend of biodegradable surfactants that removes oil and diesel spills on roads without causing an emulsion or contributing to surface erosion. Leaves surface oil free and non-slippery.

- Removes oils, diesel, grease, uncured resins and paint
- Low surface erosion factor ■ Leaves non-slip surfaces

HOW TO USE

- Ensure drains are bunded or protected before application.

Brush cleaning

- Use 1 litre of Road Bio per 2 square metres of oil contamination.
- Pour neat Road Bio over the spill, work in with a stiff brush and leave for 5-10 minutes.
- Rinse off with clean water.

Jetting

- Pre-dilute at 10-15% and apply via jet or spray equipment.

INTERNATIONAL STANDARDS

• Dutch Rijkswaterstaat

In a Road, Waterways & Dykes Authority product comparison report, Road Bio was awarded the highest overall marks for cleaning efficiency, surface erosion, environmental impact, cost and dilution rates.

• Separator friendly Meets EN 858

INTERNATIONAL REGISTRATIONS

- Denmark Miljøstyrelsen PRN 4238666

PHYSICAL PROPERTIES

Appearance	Pale yellow liquid
Specific gravity	1.06
pH	>12.0
Flash point (°C)	>93
VOC content	Negligible
BOD ₅ / COD (5% dilution)	50.9%

ENVIRONMENTAL IMPACT

- Readily biodegradable
- No bioaccumulation potential
- Negligible VOC content • Negligible ecotoxicity

STORAGE AND SHELF LIFE

Best stored as supplied in original, unopened containers, off the ground and out of direct sunlight.

Do not expose to temperature extremes and prevent contamination from foreign materials. Shelf life: 4 years from Date of Manufacture. For further guidance on handling and storage, see Safety Data Sheet.

DISPOSAL

Dispose of excess product according to your local regulations. Containers should be rinsed before recycling.

TECHNICAL SERVICES & SALES SUPPORT

For our UK customers, our products are available 24/7 via our 24 hour emergency call out service: +44 (0) 1561 361515.

Oil Technics Ltd manufacture in Scotland under ISO 9001:2015 and ISO 14001: 2015 accredited management systems.

PACK SIZES

- 12 x 1 Litre containers
- 4 x 5 Litre containers
- 20 litre containers
- 200 litre drums
- 1000 litre IBCs

ROAD BIO – IN ACTION! Dublin M9, 2005: 7 tonnes of cooking oil spilled onto motorway and spread over 2.5km.

- Road Bio applied over whole area
- Begins working immediately
- Ready to re-open within hours!
